SUBJECT: DCI Exercise on Goals, Principles, and Standards for CIA

I wish to thank all of you and your associates for the professional and thoughtful input provided for the DA submission to the DCI. I realize that many hours were put forth in sincerely developing those meaningful comments and suggestions. In my covering memorandum to the DCI, I alluded to the collective conviction that the Agency must see some positive results from this exercise or we are in trouble. I am confident that the DCI will appreciate the efforts of Agency personnel in this endeavor and will attempt to implement positive changes wherever possible. Again, many thanks for your contributions.
